Stars say farewell to Dale

TRAGIC Dale Winton was given a star-studded send-off as the TV presenter's friends from the world of showbusiness gathered for his funeral.

The ex-*Supermarket Sweep* host was laid to rest at a humanist service in London yesterday on what would have been his 63rd birthday.

David Walliams and Martine McCutcheon were among those giving readings at the funeral, which included a performance of *One Love* by boyband Blue and an impersonation of Winton courtesy of Jon Culshaw.

Tony Blackburn, Gloria Hunniford,

Christopher Biggins and Claire Sweeney (above), Matt Lucas, Steve Allen, Anthea Turner, Vanessa Feltz, Graeme Souness and Piers Morgan were also in attendance at the packed funeral, which was described as a "small goodbye" to Winton.

Biggins said Winton "would have loved" the star-studded turnout at the funeral.

He added: "He'd have been so touched and thrilled and honoured that so many people in the business turned up."

Winton was found dead at his home in north London on April 18. His death is being treated by Scotland Yard as unexplained but not suspicious.

UK falls silent to remember 22 murdered at Ariana gig

NEVER FORGET

By **WENDY THOMAS**
news@sundaysport.co.uk

THE 22 people who tragically lost their lives in the Manchester Arena terror atrocity have been remembered at an emotional national commemoration service to mark its first anniversary.

Some 800 people attended the hour-long service at Manchester Cathedral, including families or friends of the victims and also survivors of the May 22 terror attack.

They were joined by frontline responders and volunteers who helped in the aftermath of the end of last year's Ariana Grande concert.

Challenging

Ariana shared a message of support for those affected. The pop star tweeted: "Thinking of you all today and every day. I love you with all of me and am sending you all of the light and warmth I have to offer on this challenging day."

Among dignitaries present in Manchester city centre yesterday were the Duke of Cambridge, Prime Minister Theresa May, Labour Party leader Jeremy Corbyn, First Minister of Scotland Nicola Sturgeon, Lib Dem leader Sir Vince Cable, Greater Manchester Mayor Andy Burnham and Sir Richard Leese, the leader of Manchester City Council.

A one-minute silence - observed nationwide - was held at 2.30pm. There were tears inside the cathedral and outside, where thousands watched on a big screen in nearby Cathedral Gardens.

Photographs of those who died in the bombing were shown on screens in the cathedral

shortly before the minute's silence.

Twenty-two lit candles on the altar represented each one of the victims, which were made using wax from the thousands of candles left in St Ann's Square in their memory last May.

A larger single lit candle remembered bereaved families and friends, the hundreds who were physically or psychologically injured and their families and friends, those who

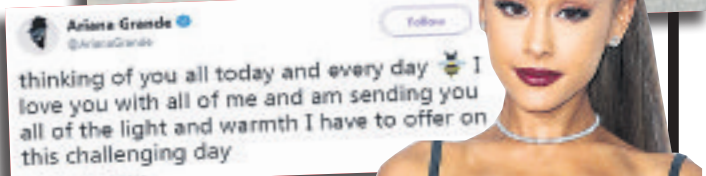

helped on the night and those who have assisted or supported the community in their recovery.

Officiating the service, Dean of Manchester, the Very Rev Rogers Govender, declared: "Everyone was loved so very dearly by people who are here today as well as by those who are not."

"Those lost and their loved ones will forever be in the hearts of the people of Manchester."

GEM & ARG: We're the new Posh 'n Becks!

(Must be the
plus-sized
version...)

TOWIE couple Gemma Collins and James 'Arg' Argent reckon they could be **BIGGER** than former star of the show Mark Wright and his wife Michelle Keegan.

Gemma, 37, and Arg, 30, have dated on and off since 2012 and have recently rekindled their romance.

However, Gemma has plans for their relationship and is allegedly plotting to turn them into a "major celebrity brand".

She also reportedly has her sights set on toppling Mark, 31, and Michelle, 30, as the hottest couple to come out of Essex.

Treasures

A source said: "Gem and James think that they have the potential to be bigger than Mark Wright and Michelle Keegan."

"They reckon that with the attention they're getting, they're

on their way to becoming national treasures like David and Victoria Beckham.

"Gemma has always wanted the lifestyle that comes with a greater level of fame. She wants a FA, a make-up artist and personal stylist."

Blonde bombshell Gemma is taking the first steps to greater fame as a contestant on *Celebrity Masterchef*.

SHAYNE FOR JUNGLE

CORONATION Street actress Kym Marsh reckons her co-star Shayne Ward could be heading to the jungle.

Shayne (right), 33, played Aidan O'Connor on *Corrie* but his final harrowing scenes saw his character take his own life.

But Kym, 41, said: "It's rumoured he might do *I'm A Celebrity - Get Me Out Of Here!* He'd definitely be entertaining. Shayne would be fun and a good sport."

"He'd probably sing the entire time, as that's what he used to do all day at work!"

Stone me I'm nervous, says Keith

ROLLING Stones guitarist Keith Richards has said he feels nervous ahead of the band's first show in London for five years.

They last played live in the capital in 2013 when they headlined two shows at Hyde Park.

Richards (above), singer Mick Jagger, guitarist Ronnie Wood and drummer Charlie Watts will play two dates at the London Stadium in Stratford and another at Twickenham in June.

Asked about their return to London, where the band formed in 1962, Richards said: "Depending on the weather! It will be great, I'm sure."

"I mean, we started there, and they will probably be our most critical audience."

"Playing your home town makes you nervous!"

Richards added that despite more than five decades of playing live together, none of his bandmates are planning to quit.

He added: "It's a habit! It's a lovely habit. It's one of the few I haven't given up!"

Brits held over Magaluf fire

FOUR Brits were arrested for allegedly starting a fire at a hotel using an aerosol and a lighter, leaving holidaymakers fleeing in terror.

Seven tourists trapped on balconies had to be rescued by firefighters after the blaze broke out on Sunday evening, completely destroying two rooms at BH Mallorca Hotel in Magaluf.

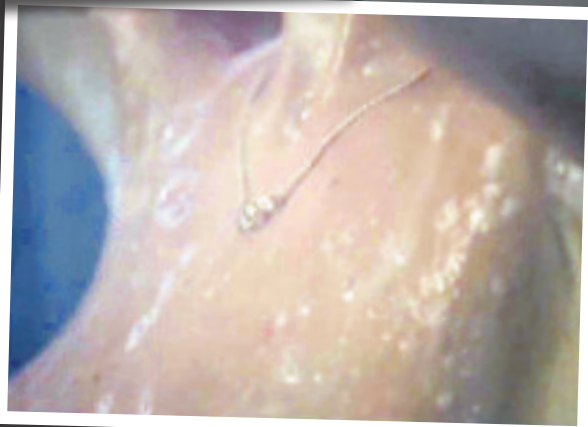

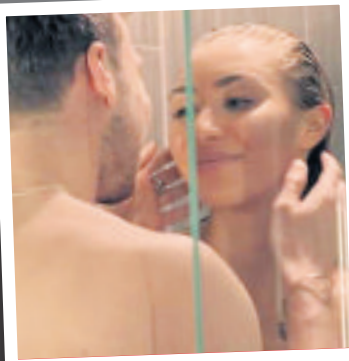

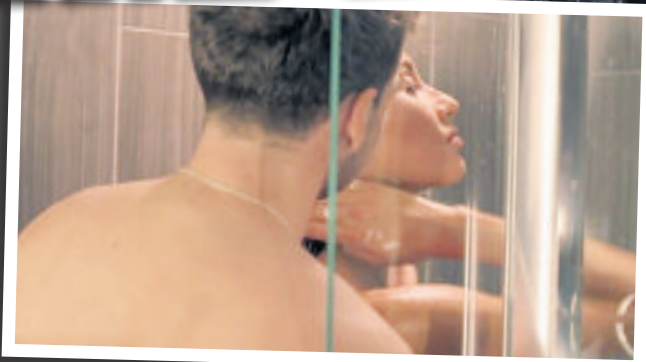

Two floors of the hotel were evacuated, with damage estimated at £125,000.

No one was badly hurt, although several people and three Civil Guard officers had to be treated for smoke inhalation.

The hotel is located in the Avenida de las Palmeras area of the town in Mallorca which is infamous for its raucous party scene.

The four unnamed Brits are due to appear before local courts.

MADE IN CHELSEA FANS' SHOCK AT SCENE IN SHOWER

POSH reality show *Made In Chelsea* was compared to a PORN FILM after two of the stars were caught SHAGGING in a shower.

Fans of the E4 reality hit went wild over Monday night's episode when Sam Thompson, 26, and his girlfriend Sophie Habbu, 24, were seen getting frisky.

It was a very racy intimate scene which saw the blonde stunna stepping into the shower before her boyfriend joined her in a steamy moment.

The camera pans around, showing Habbu in the en-suite as she turns the dials on the posh waterfall shower before stepping in and soaping up her naked body.

It's not long before former *Celebrity Big Brother* housemate Sam climbs into the shower and the saucy fun begins as his girlfriend turns round to kiss him.

Kinky

The cameras then zoom in as they paw all over each other.

Aired just after the 9pm watershed, viewers were left flabbergasted by the X-rated scenes - with some comparing it to a kinky skinflint.

One viewer wrote: "I was not expecting to see a simulated sex scene when I looked up from my revision. #MadeInChelsea."

Another fan wasn't expecting the saucy shots on-screen and wrote: "Damn. A porn scene courtesy of @SamThompsonUK & Habbu! #madeinchelsea."

Twitter was awash with outraged fans watching the sexed-up antics of the new couple.

And plenty wished they could 'unsee' the raunchy moment.

WAITING FOR A RESULT: Abramovich is stranded in Moscow

THAT'S RICH!

By COLIN HURST
news@sundaysport.co.uk

CHELSEA'S billionaire owner Roman Abramovich could be asked to explain the source of his vast wealth before he is granted a new UK visa.

The Russian oligarch is thought to be temporarily stranded in Moscow awaiting a decision on a visa application after his previous one expired.

Downing Street would not comment on individual cases but said it was the "logical conclusion" that some wealthy individuals who had applied under the investment visa route before the changes would no longer be eligible.

The government launched a crackdown on wealthy investors

coming to the UK after the Salisbury poisoning of Sergei and Yulia Skripal, increasing tensions between Britain and Russia.

No 10 confirmed it was looking

at individuals who were still in the UK and holding tier 1 visas.

They allow anyone who invests more than £2million in the British economy to stay for 40 months.

The Kremlin claims Russian businesses often encountered "unfair and unfriendly" actions when applying to come to the UK.

The changes introduced in 2015 mean Abramovich will face tougher standards when reapplying for his new tier 1 visa, which he will have to do from outside the UK.

Applications can be rejected if officials believe the applicant is not in control of funds, money has been obtained unlawfully, or the origin of funds means granting a visa will not be conducive to the public good.

There is no suggestion that Abramovich, who missed Chelsea's FA Cup final win, has been involved in any wrongdoing.

Man missing three years: Body found

DETECTIVES probing the disappearance of a man who went missing three years ago have found a body.

A search was launched in 2015 when 28-year-old Chris May's abandoned car was found in Fairstead, 11 miles north-east of Chelmsford, Essex.

A year later, police said the search was a murder investigation and that Mr May was not thought to be alive.

Now officers have said a body had been found in woodland at Faulkbourne, near Fairstead.

Essex Police received a call from a member of the public on May 13 this year, the body was forensically recovered but a post-mortem examination conducted the following day was inconclusive.

DCI Stephen Jennings said: "I strongly believe the body which has been found is Chris May. Inquiries are now being conducted to establish how he died."

Police previously said Mr May's "involvement with drugs...had led to his death".

SHOWBIZ couple Cheryl Tweedy and Liam Payne have reportedly battled through their relationship woes.

In the months following the birth of their son Bear, one, Liam, 24, and Cheryl, 34, allegedly had issues but are said to have now resolved them.

A source said: "Cheryl admits she's resigned to feeling like a single mum in terms of the amount of time that Liam is around - she understands Liam has to travel for his career."

"She wants to enjoy the summer with him and have fun together. She's confident they can make it work."

GLAMOUR LEGEND CELEBRATES LANDMARK

Happy 40th, Katie!

By BECCA STUBBS

becca@sundaysport.co.uk

GLAMOUR girl Katie Price turned 40 years old yesterday - and celebrated by posting a **NAKED** photo of herself online.

The popular beauty put up an old photo of herself in her birthday suit, using her hands to cover her modesty - but we've got the **SEXIEST** pics of the iconic pin-up.

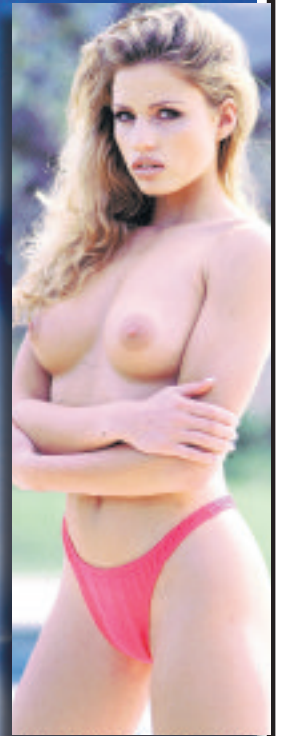

Stripping

Katie's never been shy about stripping off, and we gathered her very best snaps from over the years. She first appeared topless in 1996 under her alter-ego

Jordan and soon became Britain's best-known model.

Her huge knockers and wild lifestyle have kept the stunna in the spotlight since then.

So, Happy 40th, Katie - here's why you're the breast!

SURPRISE! PETE DROPS BIRTHDAY BOMBSHELL

REALITY TV star Peter Andre reportedly dropped a bombshell to blow up ex-wife Katie's 40th birthday celebrations - he wants **FULL CUSTODY** of his children.

Katie's wild behaviour and her late-night partying have allegedly got her ex-husband Peter, 45, worried and he's said to be ready to seek full custody of the pair's two kids.

They share son Junior, 12, and 10-year-old daughter Princess after building bridges following a bitter split in 2009.

However, Katie's recent behaviour has reportedly got alarm bells ringing for Peter and, if she continues, he wants the children in his care full time.

A source said: "Pete

wants his children to live with him. He feels they deserve a homely environment.

"The state Katie was in at the National Television Awards just reaffirmed Pete's concerns about her.

"She needs to be at home with her kids, not out partying, getting drunk, having dinner with men or

staying over at certain people's houses."

Pete's decision follows claims that Katie has been getting close to Brighton footballer Shane Duffy, 26, and her pink Range Rover has been spotted at his house.

And it's not just Pete who's concerned about Katie's behaviour as her close friends are

also begging her to stop.

The source added: "Katie's friends and family have been really worried about her the last few weeks. They're begging her to get help now, or they'll step in."

"She knows she needs help, but not someone telling her she's going mad."

Sacked... for peek at Ed's health notes

AN NHS worker has been SACKED after accessing pop star Ed Sheeran's health records.

The unnamed hospital worker was given the boot after taking a look at the crooner's records for no legitimate reason.

Another medical worker has also been given a written warning for being a part of the unauthorised access.

Chart-topper Ed (above) was at Ipswich Hospital after being treated following a nasty bike accident.

The 27-year-old broke his right wrist and his left elbow last October, causing him to pull out of live shows.

Ipswich Hospital said a member of admin staff had been fired, while a medical staff worker had been given a written warning.

As well as punishing two members of staff, the hospital launched a review of how it deals with celebrities after the star, from Framlingham, Suffolk, was asked to pose for selfies with staff.

KILLER JELLYFISH TARGET BRITS!

By **SIMON DEAN**
in Alicante

KILLER jellyfish have closed beaches in resorts where millions of Brits flock every summer – with the busy Whit holidays just days away.

And there are fears that dozens of holidaymakers could be trampled to death in panicked stampedes as bathers scramble out of the water to get away from the monsters' toxic tentacles.

Deadly Portuguese man o' war are washing up along Costa Blanca beaches close to bustling Benidorm – forcing authorities to

raise red flags and introduce a swimming ban.

On Tuesday, authorities in Palma de Mallorca confirmed that several creatures had also been washed up dead on Molinar beach – close to Brits' fave resort Magaluf.

An 11-year-old boy was hospitalised after being stung by a Portuguese man o' war as he played at the water's edge on La

Marina beach in Elche near Alicante on Sunday afternoon.

All told, man o'war have been detected over 100 miles of beach.

Special warning sirens have been erected at other Spanish resorts and officials are braced to sound Jaws-style 'get out of the water!' alerts, leading to fears of mass panic at the seaside.

The man o'war has tentacles that can reach 30 yards long and are barbed with a sting that typically cause painful welts lasting up to three days.

In some cases the sting can cause an allergic reaction and for some, heart failure and DEATH.

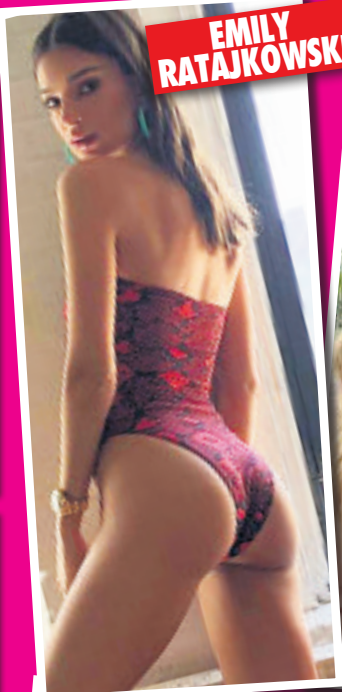

Even when washed up on the sand the stings still contain enough venom to kill.

One holidaymaker said: "Stuff that, I'm staying in the bar."

SANDRA BULLOCK'S PENIS FACIAL SHAME

COCK-UP: Sandra slammed after show for using serum

HOLLYWOOD beauty Sandra Bullock has been blasted for revealing intimate details of her controversial "penis facial".

The beauty treatment involves a serum – which lists one of the ingredients as babies' foreskins – being applied to the skin.

Some claim that the foreskins could have been removed without proper medical guidance or supervision.

Sandra, 53, tried to be vague when she was asked by U.S. chat show host Ellen DeGeneres what she meant by the term "penis facial".

By **BECCA STUBBS**
becca@sundaysport.co.uk

The *Ocean's 8* and *Speed* star explained how her beautician was using "an extraction from a piece of skin that came from a young person, far, far away, and they somehow figured how to extract..."

But Ellen interrupted: "It's foreskin from a Korean baby. That's what it is."

Some found Sandra's

admission hilarious, but many have blasted her for not thinking about the ethics of the treatment.

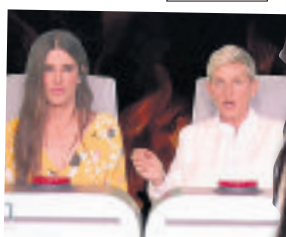

YouTube star Riyadh Khalaf was the first to slam her for using it. He told his followers on Twitter: "Rich woman laughs while she admits using the circumcised foreskins of non-consenting baby boys in facials so that she can look good."

"Can you imagine if she said she used the clitoral hood of baby girls? Would

it get the same lol-tastic response?"

Another commented: "Sandra Bullock recently aired on the Ellen show, proudly taking about penis facials. AKA baby foreskin."

"Boys suffered pain so she could look nice and she is proud of that."

REALITY TV star Lateysha Grace shocked fans as she revealed her celebrity crush is telly legend Sir Trevor McDonald.

Despite being 25, Lateysha (above) revealed she fancied the pants off 78-year-old famous broadcaster and journalist Sir Trevor.

"I'm not even joking. He's so cute!"

Lateysha shot to fame on outrageous MTV reality show *The Valleys*.

She appeared on *Celebrity Big Brother* in 2016 but now has her own show, *Million Dollar Baby*, in which she's aiming to make her two-year-old daughter Wynter a millionaire.

I GOT A LILY BIT TIDDLY!

Pop queen: My BOTTLE of vodka a day

By BECCA STUBBS becca@sundaysport.co.uk

POP star Lily Allen has revealed she used to drink a BOTTLE of VODKA every single day.

The 33-year-old opened up about her battle with alcohol and drugs in a recent interview and revealed Grey Goose vodka was her go-to tipple.

Former hitmaker Lily said she was drinking so much in 2014 that she couldn't tell the difference between vodka and water.

She used to drink large glasses of vodka with a drop of soda water and couldn't tell the difference between her drinks and her backing musician's glass of water.

Drugs

At the height of her drinking problem, during her Sheezus tour in 2014, Lily spoke about the moment she realised she had an 'alcohol dependency'.

She said: "I never really had been a drinker before. I always had been a drug taker and the drinking was an accessory to doing drugs. "I realised, 'Oh, f**k, I haven't taken any drugs for ages, but I'm drinking a lot'."

"I was drinking a bottle of Grey Goose a day. It was really bad."

"I was down to 8st

Outspoken singer Lily revealed she turned to booze to help deal with the stress of breaking up with hubby Sam Cooper.

But she later checked herself into rehab and committed to six months of staying sober.

34 magnets up his knob!

A MAN had to go to hospital after inserting 34 magnetic beads into his KNOB.

The 36-year-old man claimed to have put the 5mm wide balls into his urethra one by one after watching pornography.

He said he was trying to copy one of the scenes from the video.

The chain of beads, measuring 17cm long, separated into two strips.

Doctors said they had to use forceps to remove the balls one by one through his urethra.

The patient, from the Xushui district of China, told local radio he had put all 34 beads into his penis "for more excitement".

But he then failed to retrieve them.

He is reported to have suffered pain and difficulties while urinating and eventually went to hospital.

PREM ACE & MUM SPARED JAIL FOR 'WILD WEST' CLUB BRAWL

HEADBUTT:
Rolando
Aarons
lashed out
in VIP bar

DEFIANT:
Mum Joan

A YOUNG Premier League star and his mother have escaped jail after admitting their part in a "Wild West" brawl in the VIP area of a trendy bar.

Bottles were thrown, a belt was used as a weapon and punches were thrown when Newcastle United winger Rolando Aarons and members of his family and friends clashed with five men in the Livello bar on the city's Quayside.

The footballer had asked the other men to stop filming his auntie dancing just before the 90-second melee broke out, which caused £7,000 of damage and led to one injured man claiming £21,000 compensation.

Aarons, 22, and members of his group last month admitted affray for the incident, which happened at 3am on October 9, 2016, when they were celebrating his child's first birthday.

Aarons asked Wesley Erskine from the other group to stop filming, which he did, and the two men shook hands.

Grabbed

But shortly after, tensions bubbled up again and Aarons headbutted Mr Erskine, Newcastle Crown Court heard.

His mother, Joan Jacob, 46, initially tried to be a peacemaker, but after she was pushed out of the way she picked up a glass and threw it towards a man.

His cousin, Garfield White, grabbed a display Champagne bottle and hit a man on the head with it.

Pal Jamar Collins, 22, also picked up a glass and threw it. Another man used his belt.

The court was told that it as "being like the Wild West".

Aarons has been on loan with Hellas Verona, in Italy, and may be looking for a new loan club next season.

The judge handed him a 10-month jail term, suspended for 12 months, ordered him to carry out 100 hours unpaid work and to pay £800 costs.

Jacob was handed a 28-week jail sentence, suspended for 12 months.

White, now serving 17 years for a serious violent offence, got 15 months in jail.

Collins also got 10-months' jail, suspended for a year, with 100 hours unpaid work.

Hollywood hunk Brad, 54, bid \$120,000 to spend time alone with the actress during a silent auction at Sean Penn's annual charity gala in January.

But he was outbid by a mystery guest who put \$160,000 on the table, leaving Emilia (above), 31, "sad" about missing out on a date with Brad.

She said: "There was an auction for a charity do that I was asked to take part in so I offered time with myself and as the bidding started I realised Brad Pitt was trying to buy me."

THE ADULT VERSION OF AN EASTER EGG HUNT

Man, 88, fired gun at hooker outside brothel

AN elderly man allegedly blasted a double-barrelled shotgun at a sex worker.

Domenico Natale, 88, will stand trial for attempted murder after the woman was shot at as she walked into Romantics brothel in Brunswick, Melbourne.

CCTV footage of the incident was played when Natale faced a pre-trial hearing at Melbourne Magistrates Court, showing the street outside the brothel.

It shows a man in a suit getting out of an orange car with a long gun in his hands before firing two shots.

A woman, who was walking on the footpath, appears to cower in shock after the first shot was fired as a puff of dust erupts from a brick wall behind her.

She then flees up the driveway into Romantics as the man allegedly fires another shot in the direction of the brothel.

Natale (*above*) shot himself in the stomach during his arrest.

ISIS brides get death sentence

OVER 40 foreign ISIS brides have been sentenced to death in Iraq as the country exacts its revenge after three years of jihadi occupation.

Despite pleas that they themselves are victims, the women were given just 10 minutes to plead for their lives before judges decided their sentence.

Many of them find little sympathy with the Iraqi judiciary and locals, and are despised for their support of their militant husbands who tore the country apart between 2014 and 2017.

Along with the 40 women sentenced to death, around 300 people in total with links to ISIS have so far been executed.

Last month, a court in Baghdad handed 19 Russian women life sentences for "joining and supporting" the notorious terror group.

MODEL Helena Christensen says she has absolutely **NO SHAME** about stripping off and flashing the flesh.

The Danish beauty has appeared on more than 600 magazine covers in her career and hasn't been reserved about any of them.

Former Victoria Secret stunna Helena, 49, recently spoke about peeling off her clothes and posing for sexed-up shoots.

She said: "I have never felt reserved about showing skin. My attitude is down to my upbringing - Danes don't have so much reservation over their bodies."

Her appearance at Milan Fashion Week back in 1994 for Versace set the tone for her career and caused a stir when she came perilously close to popping out of the revealing black dress, giving onlookers a cracking view of her sexy sideboob.

STAR Wars babe Phoebe Waller-Bridge has told how she chatted about LESBIAN SEX with Prince Charles's missus Camilla.

Duchess of Cornwall
Camilla, 70, looked
was all smiles in her
dusky pink outfit at
the royal wedding of
Prince Harry and
Meghan Markle on
Saturday – but just
days before, her
kinky lady-love chats
were revealed.

Shagging

Phoebe, 32, appeared on the *Graham Norton Show* and admitted she'd spoken about girl-on-girl shagging with the royal.

She admitted to

engaging Camilla in a surprisingly “raunchy” chat about lesbians.

The actress said: "We had a rather raunchy conversation about the film I am writing. We talked about girl-on-girl action but it turned out she had no idea who I was!"

Brunette babe Phoebe was joined on the chat show by co-star Emilia Clarke, 31. Both are in the upcoming movie.

Fleabag star Phoebe plays a droid companion called L3-37 and admits she was clueless when

she auditioned for the role.

She said: "I had no idea what a droid was. On the way to the audition I asked the cab driver and he rang his family.

"Nobody knew so I decided to do it as a human. I was then asked to make it more like a robot!"

Solo: A Star Wars Story is the latest spin-off in the lucrative sci-fi franchise and is set for release in UK cinemas on Friday.

R KELLY 'GAVE ME HERPES IN SEX ATTACK'

By BECCA STUBBS becca@sundaysport.co.uk

SINGER R Kelly has been hit with yet another lawsuit as a woman has come forward claiming he gave her HERPES.

Court documents reveal the star is being sued for sexual battery, false imprisonment and failure to disclose an STD.

Faith Evans, 20, says the 51-year-old held her against her will and that he "psychologically, verbally and sexually" abused her.

She claims they met when she was 19 after a gig in San Antonio last March, and that about two months after that Kelly sexually assaulted her in a hotel room.

Evans alleges that it was "non-permissive, painful and abusive sex" and that afterwards he criticised her for her "lack of participation".

They then dated for around a year, and Evans claims that during that time she was kept against her will and abused.

Alcohol

In court documents she alleges: "Defendant, R. Kelly, locked Plaintiff in secluded areas including rooms, studios and motor vehicles, for extended periods of time in order to punish Plaintiff for failing to please the Defendant sexually and/or for perceived offences and violations of his prescribed code of conduct."

She also claims he plied her with alcohol despite her being under age. The lawsuit also alleges R Kelly infected Evans with herpes after failing to disclose he had an STD.

It claims Evans was clean before sleeping with R Kelly and that

she only learned that he was infected when allegations became public earlier this year. Kelly has denied all accusations of sexual impropriety or violence against women.

Zoe's Ibiza high... again!

RADIO DJ Zoe Ball is heading back to Ibiza – just 20 years after she was 'SO HIGH' she couldn't talk. BBC Radio 2 will be broadcasting live from the party island this summer and 47-year-old Zoe is heading up the star-studded line-up.

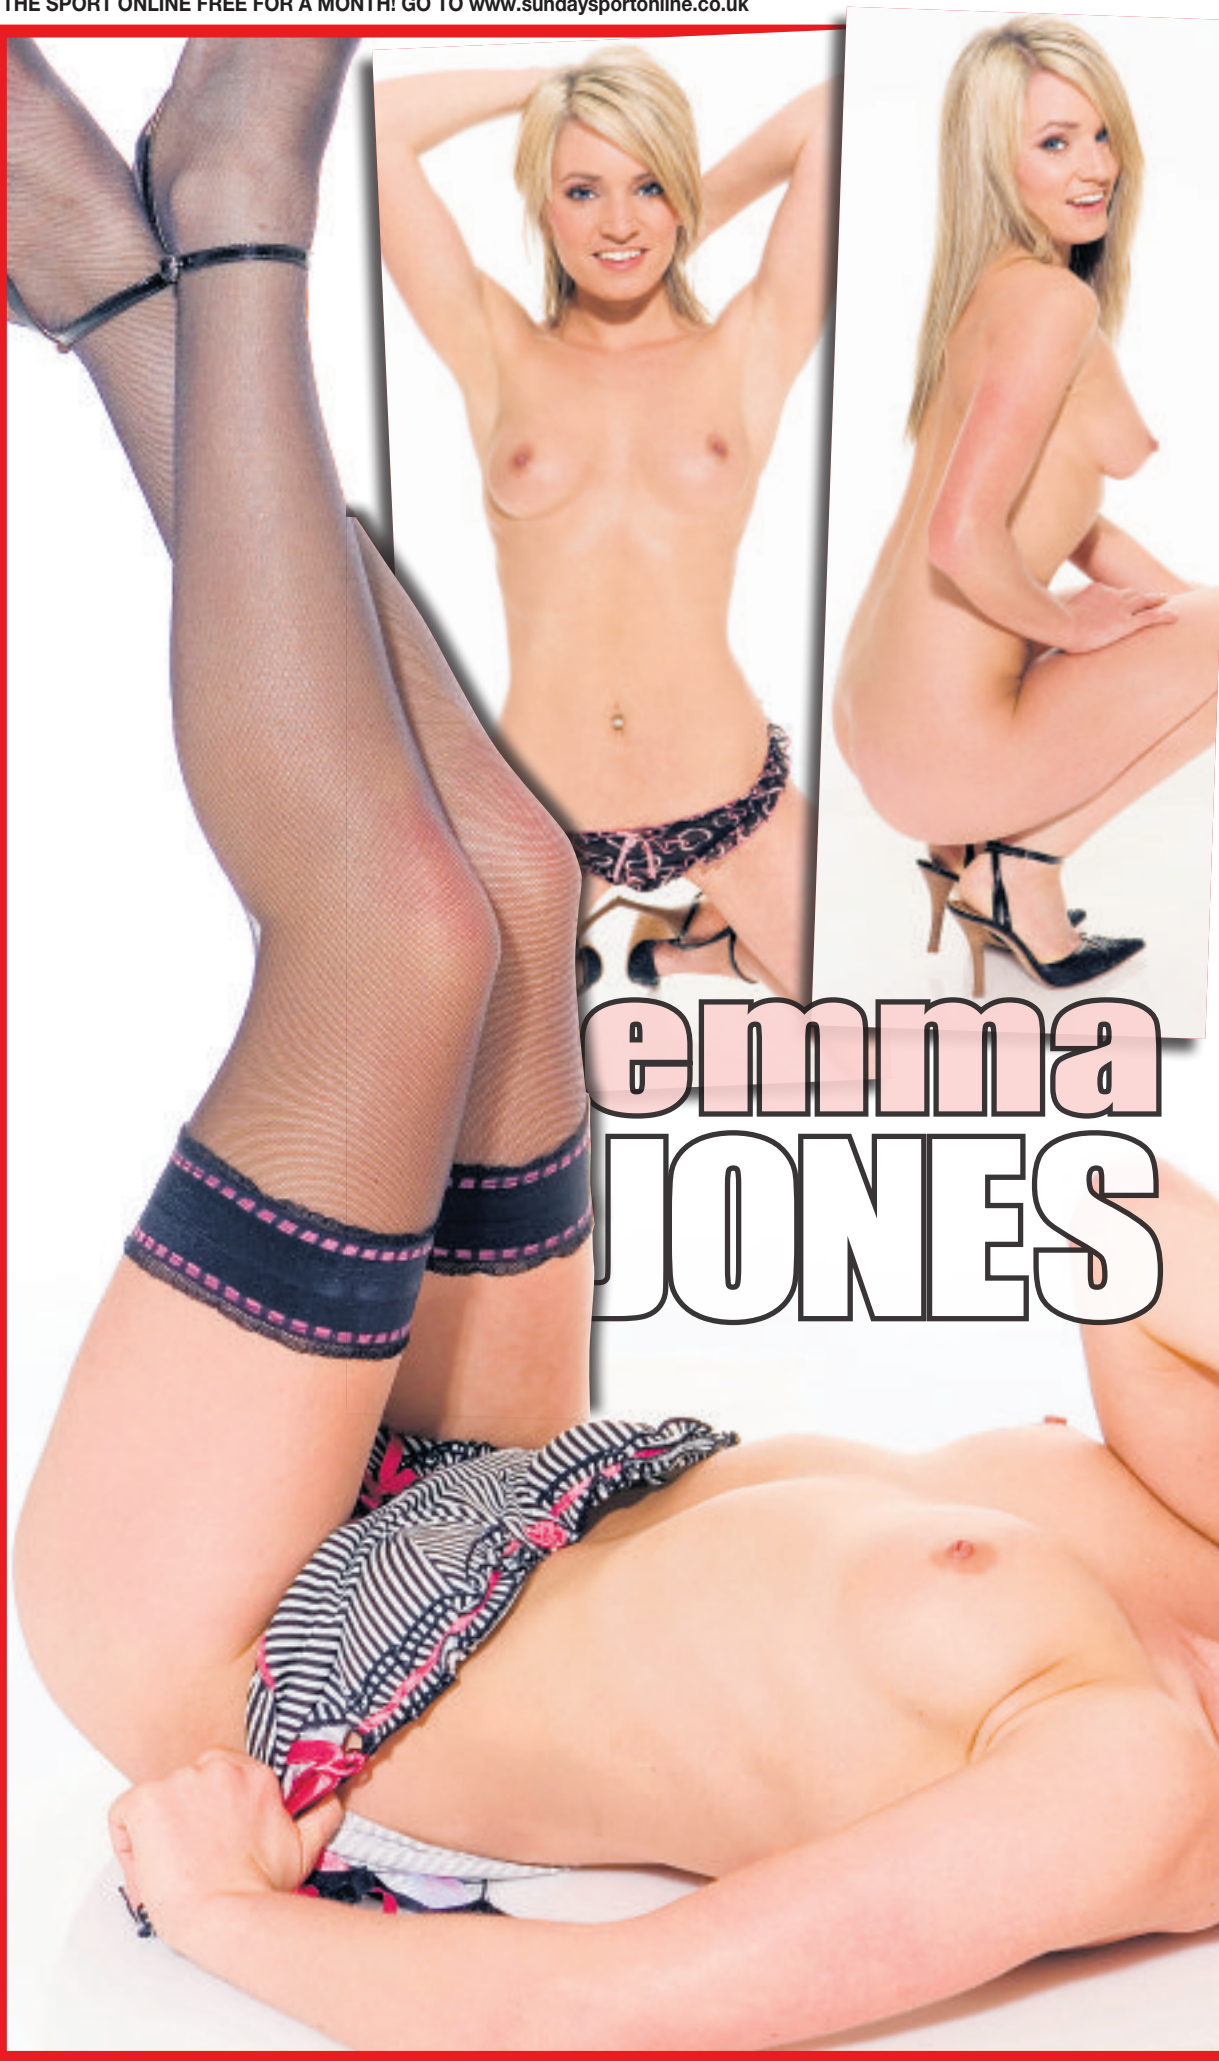

However, bosses will be hoping Zoe doesn't repeat her antics from 20 years ago, when she presented Radio 1's show live from Ibiza in 1998 and was

famously so high on drugs that she could hardly speak through her broadcast.

Radio 2's Ibiza weekend will feature a selection of live performances, interviews and 80s hits and is the first time Radio 2 have been to the 'white isle'.

Zoe (left) said: "I can't believe the BBC is allowing me to host a show in Ibiza again."

"I can't wait!"

"There's just something really hot and sexy walking around knowing you're wearing stunning lingerie underneath your clothes, it really turns me on!"

"I've got a whole wardrobe dedicated to my collection - there's lace, silk, satin in every knicker style imaginable and in all colours of the rainbow, so there's bound to be something to please any man lucky enough to get to see them!"

business is thriving," said one sex worker. "Tourists want to celebrate the Knights, and Sheri's is one of the places where adults go to party, Vegas-style."

Cheering

The prostitute, called Alissa, said she has been cheering on the team

with her fellow Sheri's workers since their inaugural game back in October.

She added: "Vegas is booming and Vegas pride is stronger than ever... if the Knights go all the way, I'll go all the way!"

The madam, Dena, said: "If the Golden Knights win, we all win. Offering theme victory celebration at our resort is the least we can do."

Tramp asked nurses: 'Help me to w**k!'

A TRAMP was arrested after groping a nurse before asking her and colleagues to help him have a WANK.

Police say James Cockrell (*above*), 62, was arrested last week on a complaint of sexual battery.

Officers had been called to Southwest Medical Centre, Oklahoma, after complaints.

A female nurse told officers that she was in Cockrell's room changing his drip when he allegedly grabbed her vagina through her clothes.

The woman then shouted at him that it was inappropriate to which Cockrell allegedly replied: "It is?"

A short time later Cockrell was allegedly observed masturbating in his room with the covers off.

Police reports show that the man had invited hospital staff members to help him masturbate.

Cockrell was booked into the Oklahoma County Jail after being cleared from the hospital.

Third of owners let pets see them bonk

ALMOST one in three pet owners have admitted to having SEX while their four-legged friend is in the room, according to a shock new survey by and online estate agents.

Andrew Rechtman, of realestate.com.au, said: "This study shows the important role pets play in our family and our home."

The survey found that 66 per cent of cat owners and more than half of dog owners allowed their pet to sleep in the bed.

Given a choice, pets are generally preferred over humans when it comes to housemates (47 per cent versus 38 per cent).

Animal behaviourist Laura Vissaritis said the survey reinforced the bonds people have with pets.

"They're by our side when we have breakfast, go shopping – and seemingly, when we're in the bedroom," she said.

Blonde deputy head's sex with teen boy

By COLIN HURST hurst@sundaysport.co.uk

AN assistant headteacher is facing a long spell in jail after being accused of bonking an underage male student.

Elizabeth Giesler has been charged with three counts of sexual contact with the lad, three counts of statutory sodomy, and two counts of statutory rape.

The allegations occurred when the male high school student was 16 years old and Giesler was the assistant principal at Genevieve High School in Sainte-Genevieve, Missouri.

The student told police blonde Giesler performed a sexual act on him at her home between April 7 and 8.

He also said that they engaged in sexual intercourse and sexual acts twice between April and May.

Arrest

These incidents also allegedly occurred at her home.

Spokesperson for the local police, Justin Wheatley, said that their investigation was turned over to the prosecutor and he issued a warrant for her arrest based on their results.

He said: "It was a special investigation we were asked to conduct on the assistant principal and the results were put in the hands of the prosecutor."

"We served the warrant on Friday and she was booked into the Genevieve County Jail

where she posted bond."

Before starting as assistant principal at Genevieve High School in 2014, she worked as a teacher.

No date has been set for her trial, but if found guilty at a future date, state law allows for a life sentence.

McDONALD'S HIT BY JOINT SEX CLAIMS

SEXUAL harassment complaints are being lodged against McDonald's on behalf of 10 women who have worked at the fast food restaurant in nine U.S. cities.

Two national campaign groups are teaming up for the legal move, which was energised by the #MeToo movement.

The workers – one of them a 15-year-old from St Louis – alleged groping, propositions for sex, indecent exposure and lewd comments by

supervisors.

When the women reported the harassment, they were ignored or mocked, and in some cases suffered retaliation, it is claimed.

Their legal costs are being met by the TIMES UP Legal Defence Fund.

Responding to the claims, a McDonald's spokeswoman said there's "no place for harassment and discrimination of any kind" in the workplace.

Hugh beauties!

DREW BARRYMORE

AFTER appearing together in the 2007 rom-com film *Music and Lyrics*, Hugh struck up a romance off-screen with his 43-year-old co-star Drew.

By BECCA STUBBS becca@sundaysport.co.uk

FOR years Hugh Grant has been seen as one of the UK's most eligible bachelors – but the Hollywood hunk is **FINALLY** settling down.

The 57-year-old heartthrob has dated some of the most stunning women on the planet but he's now marrying Swedish TV producer Anna Eberstein.

She is the mother of three of his five children and *Notting Hill* and *Paddington* actor Hugh has decided that 39-year-old Anna is the woman he wants to commit to.

But before he ties the knot, here's the sexiest stunnas he's dated in the past...

TELLY DRAMA: Hugh in latest role as MP Jeremy Thorpe

SANDRA BULLOCK

ANOTHER gorgeous co-star and another famous fling. Hugh met 53-year-old Sandra on the set of 2002 movie *Two Weeks' Notice* and they reportedly struck up a scorching romance.

LIZ HURLEY

ARGUABLY his most high-profile relationship was with stunning Brit babe Liz, 52, who he dated for eight years.

However, in 2000 they split after Hugh was famously caught with a Hollywood prostitute.

DIVINE BROWN

IN 1995, Hugh was arrested after being found with Divine, 48, real name Estella Marie Thompson. The prostitute was performing oral sex on him.

JEMIMA KHAN

JOURNALIST Jemima, 44, managed to hold down Hugh to a three-year relationship.

They met in 2004 after her divorce and lasted for a few years before going their separate ways.

MARTINE MCCUTCHEON

ACTRESS Martine, 42, has famously gushed about locking lips with her *Love Actually* co-star during filming in 2003 and apparently they got jiggy off-screen too.

Gere to play media mogul in BBC drama

HOLLYWOOD actor Richard Gere is to star in a new eight-part drama series on BBC Two.

In *MotherFatherSon*, the *Pretty Woman* and *Chicago* star will play a self-made American media mogul whose outlets include a London newspaper.

Starring alongside Gere will be *Peaky Blinders* actress Helen McCrory as Kathryn, the estranged wife of Gere's character, Max.

Billy Howle will feature as the couple's son, Caden, whose destructive lifestyle poses a threat to the future of the British newspaper, which he runs for his father.

Golden Globe winner Gere (above) welcomed his return to the small screen.

He said: "It's been almost 30 years since I worked in television."

"I'm so pleased to be working now with the BBC on this extraordinary eight-hour project with such talented people and which resonates so much to the time we live in."

Naked cooking oil man, 63, tasered

A NAKED 63-year-old man running around with a bottle of cooking oil was tasered by cops.

Joseph Musso fled when cops were called to a street in Pensacola Beach, Florida.

Officers gave chase and shot him with a stun gun.

Musso (above) told police he "receives sexual gratification by being naked in public", adding that he was carrying cooking oil "because he liked to rub it on his legs".

He was charged with lewd and lascivious behaviour, indecent exposure, resisting an officer and loitering.

HOLLYWOOD DIRECTOR DENIES DRUGGING GIRL ACTRESS FOR SEX

'LEFT MONEY': Besson

Iggy's chain reaction!

FRENCH film director Luc Besson is being investigated after a young actress made a RAPE claim against him.

Police in Paris are probing the accusations made by a French actress on Friday.

Besson, 59, who has directed iconic films such as *The Fifth Element* and the sci-fi epic *Valerian* fiercely denied the claim.

His lawyer, Thierry Marenbert, said: "Luc Besson categorically denies these fantasist accusations. "[The complainant] is someone he knows, towards whom he has never behaved inappropriately."

The director, producer and screenwriter has

Fifth Element Luc is accused

By WENDY THOMAS
news@sundaysport.co.uk

been accused of drugging and raping the actress, who is as yet unidentified.

She described the alleged incident as a 'violent sexual assault' that took place earlier this month following a meeting with Besson at a hotel in Paris.

Dinner

The incident is said to have occurred on May 10 at the Le Bristol Hotel, near the Champs-Élysées, where the pair had met for dinner.

While the actress has stated that she did have a prior sexual relationship with the director, she alleges that during this meeting he drugged her

tea at the hotel, which caused her to lose consciousness.

She then says she awoke to find Besson sexually assaulting her. He then allegedly left her an undisclosed sum of money before leaving the hotel.

Representatives for Besson categorically denied the allegations, which came as the annual Cannes Film Festival is coming to a close.

Accusations of sexual misconduct as well as inequality in the movie industry have featured heavily throughout the festival and have been prominent themes this year.

Besson has produced nearly 100 films and written and directed many of them, including the *Taken* series, *Nikita* and *Leon*.

POP star Iggy Azalea showed off her nearly NAKED body as she squeezed her ample assets into a chainmail dress.

The 27-year-old Australian beauty left absolutely nothing to the imagination as she paraded her bare boobs in the completely see-through ensemble.

Her black-and-white sultry snaps also showed off her peachy derriere, which was clad in a slinky glittery thong.

Drunk, 59, rode lawnmower along highway

AN elderly drunk was nicked after he was caught riding his LAWNMOWER along a motorway.

Boozed-up Brian Cheramie, 59, of Cut Off, Louisiana, was charged with his second drink driving offence after the bizarre incident.

Cops saw him swerve into the westbound lane of traffic and back to the hard shoulder while riding a lawnmower along the busy LA Highway 3162 in the early hours.

Cheramie (above), who was also wanted on a contempt of court charge, admitted to deputies he had downed several beers before driving the lawnmower.

After performing poorly on field sobriety and breath tests, Cheramie's blood alcohol level was found to be nearly double the legal limit for an adult.

He was arrested and taken to the Lafourche Parish Detention Centre, where his bail was set at £2,080.

GRIN 'N BARE IT!

Smiling naked busty streaker stuns passers-by

A GRINNING woman stops traffic by parading through a neighbourhood – completely NAKED!

The unidentified woman caught attention as she strolled the sunny streets in the buff.

Mobile phone film footage shows her switching between a cheeky smile and red-faced fury as confused spectators question

By COLIN HURST news@sundaysport.co.uk

whether she's under the influence of drugs.

A video posted to Liveleak.com on Sunday starts with a clip taken by a group of onlookers as the woman stands nearby.

Water

Suddenly she begins to run down the pavement in Trenton, New

Jersey, passing the camera with a big smile on her face.

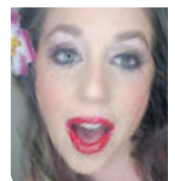

The video then cuts to two girls recording the woman from inside a parked car, who can be heard saying "Oh my God" over and over.

The girl behind the camera remarks that the naked woman is "in the water", which refers to when a person loses control of their mind and body after taking drugs.

The video was posted with the caption, "WTF is she on?"

Maren Oates, 33, taught graphic design at the Academy of Arts, Careers and Technology in Reno, Nevada.

The teacher, who features in promotional videos for the school hosted on its website, has been placed on administrative leave from the school.

She was taken in by Washoe County School police and booked into Washoe County jail on a charge of school employee engaged in sex with a pupil.

more 'out there' when it comes to action in the bedroom.

"We're more fun - we will say silly things and never seem to take ourselves too seriously.

"I think that means we have much better sex lives because we're always up for a good time.

"I'd say I'm living proof of that. Anytime and anywhere - I'm always ready!"

Vibrator tops list of most popular sex toys

TOP 5 TOYS

Brooke Riley says...

I CAN'T get enough of sex toys and the vibrator is definitely my favourite. I have tried plenty of others, but that's the one I always go back to when I need a quick fix!

By **BECCA STUBBS**becca@sundaysport.co.uk**THE UK are HUGE fans of SEX TOYS... with the vibrator topping the list for the most popular across the country.**

Posh English county Oxford was surprisingly named the sauciest place in the country, with the most owners of sex toys living in the leafy university city.

Although the vibrator was named the top sex aide in Britain, the ever-popular DILDO came a close second.

According to the new survey undertaken by Lovehoney, the UK's most popular online shop for buying adult toys, the most popular hotspots for sex toy ownership after Oxford were Crawley, Durham, Chester and Edinburgh.

Ownership was the lowest in Dundee, Maidstone and Truro.

As part of the survey, couples were asked how long they play with their favourite toys when they get down and dirty.

One third of users play with their sex toy for 10 minutes during sex, while one in six couples use it for half that time.

A quarter of them give it a go for 15 minutes, while one in seven spend a mammoth half-an-hour playing with their adult toys.

Spice

Traditional vibrators are still the most popular sex toys, with 44 per cent of couples opting to use them to spice up their sex lives.

The dildo came second, with rabbit vibrators third, wand vibrators fourth and love eggs the fifth most popular sex toy in the UK.

Three-quarters of those surveyed said they used their dildo most at night, while 19% used theirs during the day and just 6% finding time in the morning.

Only one in eight of respondents had used a double ended dildo, though 29% said they would like to try one.

The results are from a new survey of 7,500 people by the online sex toy retailer Lovehoney and they gave their views on the results.

Product director Bonny Hall said: "Dildos remain one of the most popular sex toys, mainly because they are so versatile and can be designed for all sorts of sex play."

We asked three *Sport* stunnas what they thought...

Beth Daniels says...

MY man and I love using sex toys during sex. He'll thrust his cock into

me while using a small vibrator to pleasure my clit – it gets me off in no time.
